Pacha Cabernet Sauvignon 2018

WINE OF CHILE - D.O. VALLE CENTRAL

Pacha, in local language means "the earth or the world", a concept closely related to nature and how we interact with it. We grow our grapes from the "Pacha Mama" (mother earth), right in front of the impressive Cordillera de los Andes mountain range. This situation gives vitality to the soil and vines, creating a beautiful connection between the origin and your glass. Pacha wines are created with passion and excellence, with a distinctive character that makes them unique. They are a perfect balance between old and new world styles.
