PINOT NOIR

Real winemakers get their hands dirty. Hands black with wine. That's what Manos Negras is all about. Rolling up our sleeves and getting our hands dirty. That's how we make these hand crafted wines.

It is rather ironic that the finicky Pinot Noir chose the rugged hinterlands of Patagonia's desert vineyards to show its unique South American expression. This wine was sourced from the heart of Pinot country - Neuquén. These wind swept vineyards with their cool southerly temperatures produce a wine of dark violet color, with floral aromas, ripe red fruit, flavours and a soft, supple texture.
