REVEREND DEVIL

The charismatic outlaw John Murrell earned his nickname, Reverend Devil, by preaching sweet salvation at tent revivals while his marauding Mystics robbed the congregation blind. His legendary hidden hoard tempts treasure hunters to this day. Equally tempting — this sinfully sweet red boldly infused with cherries and divine dark chocolate.

GET YOUR *Swagger* ON

The moss-draped swamps of the Texas and Louisiana border sheltered the 40-mile stretch of No Man's Land known as the Free State of Sabine. Fleeing justice, the lawless and seditious haunted these snake-infested backwaters and bayous. Within the haven of the Devil's Playground, treasures were buried, legends were forged, and the independence of the Texas nation born. Our extraordinary wines reflect the adventurous mythos of such saints and sinners. Uncork a bottle to create your own legend.

Welcome to Free State.
