George Bernard Shaw once said,
"Whiskey is liquid sunshine".
Though our Grandpa Fred didn't have
a lot in common with great Irish
playwrights, we are pretty sure
they could have found a lifetime's
worth of common ground on this
count.

With vivid memories of bourbon and
good times, we set out to make a
cocktail that can appeal to the
neat drinker and cocktail
adventurer and everyone in between.
Our bourbon is made with the
highest grade corn available, and,
with 21% rye, has one of the
highest rye content mash bills on
the market.

We softened the edges of the
bourbon with just a touch of maple
and layered in spice for mouthfeel.
The blood orange provides a citrus
top note for a bright finish. It's
sunshine without the sunscreen.
