TEXAS ALCOHOLIC BEVERAGE COMMISSION

Existe muy poco Carignan excelente en el mundo, por lo que tome nota: en ningún otro lugar del hemisferio sur la uva logra tan alta promesa como en los confines del sur del Valle Maule de Chile. Aquí, los centenarios viñedos, cultivados en seco producen nuestro Vigno, un Carignan envuelto en especias, de rica textura con un incomparable potencial de añejamiento.

There is too little great Carignan in the world, so take note: nowhere else in the Southern Hemisphere does the grape reach greater promise than in the southern reaches of Chile's Maule Valley. Here, ancient, dry-farmed bush vines produce our Vigno, a spice-laden, richly textured Carignan with superb aging potential.
