At Orphan Barrel Whiskey Distilling Co., we pride ourselves in rescuing lost barrels of rare and delicious whiskey, hidden away and long forgotten in the back of rickhouses.

While we take craft and quality seriously, we had a little fun bringing these extraordinary whiskeys to life with each of our marques. Every Orphan Barrel Bourbon Whiskey is hand bottled in Tullahoma, to ensure that these rare whiskeys are treated with the care they deserve—because once they're gone, they're gone forever.

BARTERHOUSETM

This sly whiskey was discovered in the dark shadows of a rickhouse after spending 20 years in charred American white oak barrels.

A soft and elegant nose, reminiscent of warm spice, biscuit and buttercream is cunningly paid off with the mellow taste of roasted grains and charred oak—finishing with pleasing hints of spice and brown sugar.
