AULTMORE

SPEYSIDE SINGLE MALT
SCOTCH WHISKY

AGED 18 YEARS

A SECLUDED SITE once known for smugglers and illicit stills, the FOGGIE MOSS conceals our water's source and filters it through *gorse* and *heather*, purifying it to the profit of AULTMORE'S refined character. Our malted barley has no hint of peat smoke, ensuring the *smoothest, cleanest* taste.

This rarest of SPEYSIDE classics has been distilled in *handmade copper pot stills* since 1897, yet for over a century it was only sold in *limited editions* aimed at collectors.

Sometimes a sly taste of AULTMORE could be found in a few local bars, but only if you knew to ask for "*a nip of the Buckie Road*."

NATURAL COLOUR Takes its colour from our casks' wood, so slightly varied hues are normal.

NO CHILL-FILTERING We don't chill filter our whisky; feel free to add ice, and don't worry if it goes cloudy.
