AMARÁS PHILOSOPHY

Amarás is a project created by the love we have towards our communities and farmland. That's why every bottle contains handmade, carbon neutral, artisanal and 100% organic mezcal.

Our philosophy is based on:

- A replanting program that consists of planting 10 agaves for one used, of each species.
- Maintaining a natural and organic fermentation.
- A Carbon Neutral status, compensating our emissions to preserve 177,900 hectares of the Amazonian Rainforest.
- A fair payment for all our producers.
- A 15% net profit contribution of each bottle sold, to projects that have an impact on our farmland and producers.
