Mustang Springs is a Peachy Canyon property located in a beautiful canyon at the base of the Santa Lucia Mountains, just west of Paso Robles. The unique climate and soil lend themselves generously to some of the finest fruit within the appellation. Loads of fruit coupled with soft tannins abound. This is truly one of our most sought-after Zins.

Made in a robust style, this wine will gain in complexity and character over the years to come.

We hope you enjoy our wine as much as we enjoyed making it.
