2020 Roussanne

Roussanne is native to the Rhône Valley near the Mediterranean Sea in Southern France. Although most of the world's Roussanne is grown in the Rhône Valley, other regions, especially Texas, are beginning to show interest in the variety.

From vine to bottle, we nurture our wine through it all. It's rewarding to see our hard work come to fruition. Our Roussanne has received international and national acclaim and it continues to be one of our most awarded wines year after year. From our family to yours, thank you for being a part of our story and for letting us be a part of yours. You will enjoy this variety with a pairing of roasted chicken or veal with a cream sauce. Cheers!
