GRGICH HILLS

Zinfandel has always been special to Grgich Hills, as Mike Grgich was instrumental in the discovery of the variety's origin – his home country of Croatia! The grapes for this wine come from our hillside Calistoga vineyard, which like all of our vineyards is farmed according to natural cycles and using no artificial fertilizers, pesticides, or fungicides. These practices produce balanced, healthy vines and pure, concentrated fruit; we know you'll enjoy the results! A great food partner, this peppery, juicy wine pairs wonderfully with anything off the grill.
