Purple Rhine
TEXAS TART ALE
brewed with PRICKLY PEAR

Nothing COMPARES 2 THIS

Named after the country's most famous river, this summer seasonal is a new twist on a German classic. Purple Rhine is a strong version of a Berliner Weisse brewed with a natural kettle souring process that gives it a subtle tartness. We added prickly pear juice for a vibrant color and flavors of pear and honey, along with alluring floral notes. Thanks to Travis "The Craft Beer Redneck" Scott for convincing us to release this beer by sharing his amazing homebrew.
