CONTAINS SULFITES

2017 Geyserville, bottled January 2019

Powerful winter storms replenished ground-water, bringing the drought to an end. However, they delayed bud-break, pushing bloom into late May. Early September heat was followed by cooler weather that slowed the pace of ripening. Twenty-four parcels were picked and fermented separately. Those showing strong vineyard character were chosen for this superb vintage. Enjoyable now, it will develop further complexity over the next fifteen years. EB (8/18)

Ingredients: Hand-harvested; sustainably grown grapes; indigenous yeasts; naturally occurring malolactic bacteria; oak from barrel aging; minimum effective SO₂. EB (8/18)
