MALBEC

Real winemakers get their hands dirty. Hands black with wine. That's what Manos Negras is all about. Rolling up our sleeves and getting our hands dirty. That's how we make these hand crafted wines.

Malbec is the undisputed signature grape from Argentina. The high altitude desert of Altamira, in the Southern Uco Valley of Mendoza, provides ideal conditions for this once minor French blending grape to unfold its strengths as nowhere else in the world. The bright sunny days give a deep blackish color and dark fruit flavors while the cool mountain nights produce violet aromas and a soft, supple texture.
