2018 Grenache Blanc, bottled May 2019

This is our first grenache blanc bottling. Our well-established white winemaking methods were used. To maintain greater fruit definition and freshness a portion of this wine was fermented in stainless steel tanks. The balance was fermented in barrel with twelve percent of the final wine in new oak, adding a touch of spice and richness. This wine will be most enjoyable over the next five to six years. EB (3/19)

Ingredients: Hand-harvested grapes; indigenous yeasts; naturally occurring malolactic bacteria; oak from barrel aging; minimum effective SO₂. EB (3/19)
