NICKELYN REAMES
MARTINEZ
"Prey in Sight"

Nickelyn Reames is a self taught artist who has been drawing and creating art in various forms for over 20 years. Beyond having built a basic skill set and mastery of technique, she credits her progress to persistent practice, sheer determination, and her willingness to experiment when she creates. When she designs, Nickelyn aims to entice herself and others with feeling. She considers herself an "Artist" at her core but, in line with her charmingly humble nature, she says she still feels she has a lot to learn, with infinite potential and endless possibilities.
