KRONE NIGHT NECTAR

Demi-sec is a distinctive style of Méthode Cap Classique that deserves to be discovered. It is probably the closest in style to how the first famous sparkling wines of France were experienced a century ago: a time when wine lovers sought out wines that were rich and sweet in taste. This bottle-fermented and lees-matured sparkling wine is a blend of traditional French grape varieties

and is named in honour of the once practised tradition of night-harvesting at Krone. It has a creamy, fine mousse and shows expressive aromas of baked golden apple and almonds. Refreshing lemon curd and subtle marzipan flavours fill the palate. A sophisticated Méthode Cap Classique which is charmingly drinkable, fruity and generous with a satisfying touch of sweetness.
