Honey-Pepper Wine

Dancing Bee

Logi, rendered here in all his blazing glory by Central Texas artist Dan Krantz, is the colossal fire god of Norse myth. Famous for winning an eating contest in which he devoured not just the food, but the bones, plates, and even the table, Logi embodies the all-consuming nature of fire. In our Capsicumel (chili pepper mead), our local wildflower honey and double-smoked chipotle peppers come together to create a flavor profile as large as the fire giant himself. Sweet notes of honey suckle, vanilla bean, and mesquite entice and please before they catch flame and are consumed by a chipotle blaze, leaving a burnt offering to the fire god on the altar of your palate. Pair with mild cheeses or creamy pasta to fan the flames of flavor.
