MOURVÉDRE

TEXAS HIGH PLAINS

Gillmore Brothers Vineyard

ALC. 13.8% BY VOL.

The small, thick-skinned berries of the Mourvèdre grape have the potential to produce deep, rich colors during fermentation. It's preference for warm weather, and its overall rustic character, make Mourvèdre a perfect choice for the rugged and sturdy terroir of far west Texas. Just outside the town of Levelland, the Gillmore brothers coax their Mourvèdre vines through the hot summer. In September the grapes are harvested, then loaded into a refrigerated truck and delivered to Blue Ostrich Winery where they are made ready for their final destination, this bottle.
