TEXAS ALCOHOLIC BEVERAGE COMMISSION

Name: Inés Vizcarra

Region: Ribera del Duero (Zone 2)

Grape: 100% Tempranillo

Wine Description: Inés, is the name of Juan Carlos Vizcarra's second youngest daughter. A small cuvee of 350 cases for the world. Deep purple-red, with aromas of red berries and toasted notes. On the palate is full, rich and dense, very elegant and expansive in flavors. Its texture is remarkable, beautiful dry extract. Finishes long with great development of flavor complexities.

Location: Zone 2 within the province of Burgos in the town of Manbrilla, (eastern sub-region of Ribera del Duero) at an altitude of 2,785 ft. (849 m).

Soils: Composed of clay and limestone topsoil and gravel subsoil providing good water storage. This soil profile provides good levels of fertility, nutrients and water storage. In order to offset undesired high crops, Juan Carlos Vizcarra reduces yields by thinning grape clusters from 20 to 8 per vine.

Climate: Continental climate (Zone 2) cold nights and hot days with moderately low levels of rainfall. The Burgos sub-region has a cooler climate at this higher altitude wines produced here are usually darker, more concentrated and aromatic than wines made in the western part of Ribera del Duero.
