Que sea Sangre

CABERNET FRANC - 2020

The grapes are grown in Vista Flores, Tunuyán, Mendoza. The vines are trained in the traditional espalier way and the harvest is done manually. After a traditional fermentation, we obtain a fruity wine with a subtle touch of oak.

The wine. Showcasing the winemaker's preference for young, fresh and fruity wines, this elegant wine expresses the typical characteristics of Cabernet Franc: red pepper both on the nose and on the palate, a balanced acidity, and just a hint of herbs, due to harvesting at the right time. In the mouth, its body and softness entice you to keep drinking. Ideal for accompanying rich meats, hard cheeses and spicy foods.
