AVIZE

Dégorgement Tardif

There is a certain fascination in opening late disgorged wines that were bottled more than fifteen years ago. Prolonging the period of maturing the wine on its lees in the bottle before disgorgement brings out tertiary aromas which harmonise beautifully with a freshness that is conserved thanks to ageing in an oxygen-free environment; this combination can provide an unforgettable tasting experience.

Disgorgement : January 2016 Dosage : 1.5 gr/l

Our wine is made in as natural a way as possible. As a result there may be a slight sediment, which will not affect the quality to any degree at all.

GOVERNMENT WARNING: (1) ACCORDING TO THE SURGEON GENERAL, WOMEN SHOULD NOT DRINK ALCOHOLIC BEVERAGES DURING PREGNANCY BECAUSE OF THE RISK OF BIRTH DEFECTS. (2) CONSUMPTION OF ALCOHOLIC BEVERAGES IMPAIRS YOUR ABILITY TO DRIVE A CAR OR OPERATE MACHINERY, AND MAY CAUSE HEALTH PROBLEMS.
