TEXAS ALCOHOLIC BEVERAGE COMMISSION

Beautiful Argentina is legendary in the production of fine Malbec wine. Inspired to create *RED SCHOONER*, we designed an efficient method to ship grapes over ocean waters while retaining their precious qualities. Our plan was to pinpoint a high-caliber vineyard on the slopes of the *ANDES MOUNTAINS*, then harvest and chill the fruit, transporting our valuable cargo by sea voyage to *CAYMUS VINEYARDS*. The fruit arrived in excellent condition, looking as though it had just been harvested. We used great care to extract deep color and rich tannins through a slow and delicate fermentation. The wine was then aged 16 months in French oak barrels (50% new) before bottling in October 2014. Each annual release of *RED SCHOONER* will be a designated sequential voyage—this bottling is:
