The Weimary produced this wine directly to benefit The Heritage Society Museum of Weimar. Preserving the legacies of the past, the Museum brings the stories of Weimar's founders to the forefront. The selected picture is of Pearl Hill (Sparks) Kindred of Weimar, who, in 1892, was best known as being the 'first lady banker in the State of Texas'. Blazing trails and pushing society's expectations, it is in the memory of these crusaders that one can find the courage to be avant-garde.
