Whole Cluster®

PINOT NOIR

PINOT NOIR

Whole Cluster Fermented

This Whole Cluster Pinot Noir was fermented from uncrushed Pinot Noir grape clusters. This technique retains the fresh fruit quality of the varietal and creates a wine which is delicious and accessible upon its release. This wine is an excellent companion with barbecued meats and vegetables, grilled fish, pizza, sushi and spicy Asian cuisine.

These vines were tended by hand and cluster-thinned to increase flavor intensity. All of our vineyards are sustainably farmed.

Pinot Noir, a thin-skinned winegrape, develops a natural defense against botrytis (mold) in our moist, cool climate - the antioxidant resveratrol.
