IT'S OUR NATURE TO BREW

HOP&STING
BREWING CO.

REMEDIOW SOUTH WEST WIT

"Hey man! What's in that stuff?"
"Mostly sage, but it's got some lavender too."
"Orale!"

Remedio is good for what ails you. It is our take on the traditional Belgian witbier. This refreshing, thirst quenching style is great for the hot Texas summers. We use healthy amounts of wheat, a charismatic Belgian yeast, and orange peel. Now instead of the typical coriander, we utilized Texas grown sage and lavender. This gives a unique fruity and floral character we hope you'll love.
