OYSTER RIDGE

75% CABERNET SAUVIGNON • 15% SYRAH • 5% PETITE SIRAH • 5% MALBEC

SANTA MARGARITA RANCH

In the heart of our estate Margarita Vineyard is a singular block known as Oyster Ridge. Here, thousands of white oyster fossils are literally spilling out of the ground, yielding one of the most calcareous soil profiles in the winemaking world. Each year, we craft the Oyster Ridge cuvée to honor this majestic terrain and the rare array of soil types found across Margarita Vineyard. Select blocks are meticulously farmed to meet the standards of the Oyster Ridge program. The final blend is assembled from only those barrels that exhibit exemplary complexity, structure and aging potential. The result is nothing less than our finest winemaking effort.
