IT'S OUR NATURE TO BREW

HOP&STING
BREWING CO.

FIRE ENGINE RED

It's our nature to give back to our community. In fact, it is an integral part of what we do at our brewery. We are proud to brew Fire Engine Red, the 2nd beer in our Firefighters series. Proceeds go to honor the men and women of Grapevine Firefighter's Association for their bravery and service.

This American Red Ale has a complex malty flavor with notes of caramel and dark toast. Its low hop profile accentuates the malt character and allows for a slight sweetness.
