2013 PETALUMA RIESLING HANLIN HILL VINEYARD CLARE VALLEY

The old Hanlin Hill vineyard on the eastern slopes of the Clare Valley received really constant soaking rain in the winter of 2012. Spring and summer were then very dry with almost no rain after September, but the soil had enough moisture to set up a very healthy crop, in fact the biggest since 1985.

The growing season was mild and dry, with a few heat spikes, and then we hand picked the pristine fruit from the 20th February until the 4th of March.

The fruit was transported to Petaluma winery where it was destemmed, crushed before chilling and pressing. The partially clarified juice was fermented in stainless steel tanks before cold settling and filtration.

The 2013 Hanlin Hill Riesling is a delicate dry full flavoured Riesling with spice, lemon-lime and blossom aroma's. The palate is the traditional lemon-lime, backed up by wonderful vibrant acid.

This wine will age incredibly gracefully for many decades, while being a lovely wine in its youth.
