MORGON

"CÔTE DU PY - JAVERNIÈRES"
Appellation Morgon Contrôlée

2015

Ce vin de Terroir a fermenté naturellement avec les levures présentes sur la peau du raisin. Il a simplement été éclairci sur terre de Silice, un léger dépôt peut se former dans la bouteille. Il ne contient que très peu de sulfite, aussi, maintenir les bouteilles au frais en cave, un décantage n'est pas conseillé.
