ALTOSUR

CABERNET SAUVIGNON 2009

In Mendoza, Argentina, the Tupungato mountain rises to 6,550 mts (21,500 feet). Because of this it is known as "a balcony to the stars". Our grapes are grown at 1,200 mts (4,000 feet) at the foothill of this majestic mountain and as tribute to it, we have named our wines ALTOSUR, meaning "high in the south".

ALTOSUR wines show intense aromas and fruity, yet complex flavors. With ALTOSUR we invite you to discover the high altitude wines of Tupungato.
