Vinification

Fruit was hand-harvested at night. Clones were kept separate; whole cluster pressed. Native yeast began primary fermentation in an egg-shaped vessel. Primary and partial malolactic were finished in neutral French barrels & puncheons over a period of 11 months; 6 months of battonage. Clones were blended after 11 months & finished in stainless steel for 5 additional months. Lightly fined and filtered.

Site

Roberts Road is perfect for Chardonnay. Located in the Sonoma Coast AVA and influenced by the fog of the nearby Pacific Ocean, it stays blanketed and cooled until midday allowing for gentle ripening. Well drained, silty gravel soil imparts minerality and a complex richness. This inaugural vintage of Westwood Chardonnay serves as a superb counterpoint to our delicious Pinot Noirs from our Annadel Gap Vineyard.
