# TEXAS ALCOHOLIC BEVERAGE COMMISSION

"Simplicity is the final achievement."  
**FREDERIC CHOPIN**  
1810-1849

Chopin Vodka has elevated Poland's national spirit to an art form. The same passion Frederic Chopin conveyed so eloquently in his music is captured in every bottle of his namesake vodka. Carefully cultivated from farm to bottle in Poland's fertile Podlasie countryside, Chopin is composed of the finest, naturally grown golden rye and purified artesian well water. These are distilled using simple methods handed down through six centuries. The result is a vodka of singular taste - extraordinarily silky with a rich, balanced finish. Sip it or mix it and savor the artistry.
