THE WINES OF CATENA

SELECCIÓN MALBEC 2007 MENDOZA

Hand selected from vineyards in the cool climate district of La Consulta. La Consulta is an area in the South of Mendoza that lies close to the Andes mountains as they curve from West to South. La Consulta is graced with snow every winter and very cool nights during the summer. The Alamos team has specially chosen La Consulta fruit for Alamos Seleccion because of its dark color, violet aromatics and deep-lush finish.
