Biala means 'white' in Polish, and ZU Biala is inspired by the clean white snows of the majestic Bialowieza Forest, Europe's last remaining primeval forest where the European Bison still live today.

This forest is regarded as one of the coldest and most preserved natural places, located in remote Northeast Poland.

Produced using carefully selected high quality grain and distilled 7 times, ZU Biala is then filtered through platinum for ultimate smoothness and pure taste. ZU Biala can be enjoyed neat, in a martini or with a mixer of choice.

Produced by CEDC International Sp. z o.o. ul. Kowanowska 48, 64-600 Oborniki, Poland Branch POLMOS BIALYSTOK, the only distillery in Poland authorized to produce ZUBROWKA bison grass flavored vodka.
