Of all our cocktails, the Bergamot Orange Margarita has taken us longest to craft. Everyone has a reference for his or her margarita. We get it. We do too. After casting a world wide "net" for something extraordinary, bergamot orange fatefully found us. The essence of this sour fruit pushes and pulls with the tequila in the most sophisticated of ways. We then created our own less syrupy triple sec that didn't weigh down our natural ingredients. This combination manages to preserve the deep taste of tequila, but perfectly softens its most pucker-inducing layer. The result is one of the smoothest, brightest tequila cocktails we've ever had.

Sediment may occur due to natural ingredients - it's all good!
