Biodynamic® 101:

★ Life on the Farm ★

Visit our vineyards and you might see cows, goats & sheep grazing between vineyard rows. Our livestock feast on cover crops and reduce the need for diesel-powered tractors. We move our chickens through the vineyard in mobile chicken coops so they can manage vineyard pest populations. Our farm animals play an essential role in our holistic land management.

BIODYNAMIC® WINERY

Aromas of star anise, earth and cocoa open on the nose. Plump and juicy huckleberry flavors bring a strong sense of presence and balance. Its grippy character and polished tannins provide a vibrant complement to olive tapenade or grilled lamb chops.

Our vineyards are located at the headwaters of the Russian River in beautiful Mendocino County. Our Biodynamic wines are crafted in harmony with the rhythms of nature and fermented on native yeasts without chemical pesticides or preservatives. As three generations of organic farmers and winemakers, we find that our care and respect for the earth is reflected in the expression of purity and true terroir in our wines.

alc. 14.5% by volume 750 ML
