to find out how.

BOTTLE # 000000000003

Bakon is made in the Northwest from superior quality potatoes and is column-distilled using a single heating process. Take a sip and you'll notice the smooth, slightly sweet palate steeped in the smoky essence of peppered bacon.

Use it to add complexity to a creative cocktail. And of course, this is the only vodka you'll ever want to use to make a Bloody Mary.
