CALCU
MALBEC

Calcu. From the Mapuche language, meaning magician.

Round, velvety and elegant, this food-friendly Malbec shows floral and fresh red fruit characteristics in the glass. It has excellent natural acidity and fine-grained, soft tannins to give it good structure and approachability. It pairs especially well with chicken, but also with grilled chops and oily fish, such as salmon. Made from 100% Malbec grapes grown in the prestigious Colchagua Valley.

100% Malbec
