Crafted for fullness and depth, 4 Grain & Spire is comprised of all four whiskey grains: corn, rye, barley, and wheat. Add in the botanicals from the Torched Oak spire, the end result is a rich, balanced spirit.

Oak & Eden. The name pays gracious homage to both the perfection of the Creator who breathed His unique spirit into us - and the wood that infuses our other favorite spirit with its complex flavor. We boldly build upon our Whiskey's unrivaled taste by adding a twist - a hand-placed, seasoned and toasted spire of wood that imparts a unique and aromatic finish to every bottle. The spire perfects our creation, imbuing a deeper, richer taste and producing a truly inspired whiskey. We hope it will inspire you to creation, too.
