HONEY WINE

Honey Wine, nectar of the gods, is dew sent from the heavens and collected by bees. Don't expect a super-sweet sip. This mead is relatively dry, with honey from the Free State hives, providing nuanced flavor without overt sweetness.

*Welcome to
Free State.*

The moss-draped swamps of the Texas-Louisiana border sheltered the 40-mile stretch of No Man's Land known as the Free State of Sabine. Fleeing justice, the lawless and seditious haunted these snake-infested backwaters and bayous. Within the haven of the Devil's Playground, treasures were buried, legends were forged, and the independence of the Texas nation born. Our extraordinary wines reflect the adventurous myths of such saints and sinners. Uncork a bottle to create your own legend.
