SPEYSIDE SINGLE MALT
SCOTCH WHISKY

A SECLUDED SITE once known for smugglers and illicit stills, the FOGGIE MOSS conceals our water's source and filters it through *gorse* and *heather*, purifying it to the profit of AULTMORE'S refined character. Our *malted barley* has no hint of peat smoke, ensuring the *smoothest, cleanest taste*.

This rarest of SPEYSIDE classics has been distilled in *handmade copper pot stills* since 1897, yet for over a century it was only sold in *limited editions* aimed at collectors.

Sometimes a sly taste of AULTMORE could be found in a few local bars, but only if you knew to ask for "a nip of the Buckie Road."

NATURAL COLOUR Takes its colour from our casks' wood, so slightly varied hues are normal.

NO CHILL-FILTERING We don't chill filter our whisky; feel free to add ice, and don't worry if it goes cloudy.
