TEXAS ALCOHOLIC BEVERAGE COMMISSION

THE ORIGINAL  TEXAS WHISKY

BALCONES

BABY BLUE

made from 100% blue corn

750 ml.

batch:

CORN WHISKY

46% Alc/Vol

date:

This unique corn whisky is made from roasted Atole, a Hopi blue corn meal. We use this rich and nutty corn to produce a whisky that we hope will bring something new to the corn whisky tradition. Baby Blue isn't bourbon nor white lightning. It has the freshness and verve of traditional corn whisky but with a refined complexity. The result is a round nuttiness and roasty overtones with a smooth finish.

GOVERNMENT WARNING: (1) ACCORDING TO THE SURGEON GENERAL, WOMEN SHOULD NOT DRINK ALCOHOLIC BEVERAGES DURING PREGNANCY BECAUSE OF THE RISK OF BIRTH DEFECTS. (2) CONSUMPTION OF ALCOHOLIC BEVERAGES IMPAIRS YOUR ABILITY TO DRIVE A CAR OR OPERATE MACHINERY, AND MAY CAUSE HEALTH PROBLEMS.

Chip Tate, Head Distiller
