ARTIST 0009/1800
DOSA KIM
ATLANTA

Dosa Kim moved to Atlanta during his freshman year in high school. He went on to study graphic design at the Art Institute of Atlanta. After working at a local design studio for a year, he continued his education at the University of Georgia, studying Digital Media and Computer Animation. Commenting on current social issues, Kim's art can be described as whimsical, dark and minimal. Although much of Kim's work has shadowy undertones, he emphasizes the notion of hope, that outside forces will carry the subject matter and viewer to his/her enlightened destination. This ideal is represented in numerous metaphorical ways and is carried out through his logo, which bears the text: "Some of us will find our way home."
