Ladies who Shoot their Lunch

The haziness of a sky at daybreak; the bubbling of a pristine stream;
the early morning sun lifting bush scents.
Shallow breathing; silently stalking. Observing.

Sudden flurries of action: trout breaking glassy rivers;
startled birds bursting from cover; a dashing hare;
a distant stag in dappled light.

The long walk home, exhausted; limbs aching; cold, wet, hungry.
Open fire; cooking smells; a gradual return to warmth. That shower.
Amongst friends; delicious food and a glass of wine.

Ladies who Shoot their Lunch has been blended to complement real food with wines of striking colour, elevated aromas, pristine fruit and a finish to persist with the wildest flavours.
