JEAN-MICHEL BASQUIAT
NEW YORK, NY

Jean-Michel Basquiat was one of the best known artists of his generation and is widely considered one of the most important artists of the 20th century. His career in art spanned the late 1970s through the 1980s until his death in 1988, at the age of 27.

Basquiat works are edgy and raw, and through a bold sense of color and composition, he maintains a fine balance between seemingly contradictory forces such as control and spontaneity, menace and wit, urban imagery and primitivism. Before his career as a painter began, he became known for political-poetical graffiti under the name SAMO. His paintings are typically covered with text and codes of all kinds: words, letters, numerals, pictograms, logos, map symbols, diagrams and more, and featured multi-panel paintings and individual canvases with exposed stretcher bars, the surface dense with writing, collage and imagery.
