OLD ELK
BOURBON BARRELS

A bourbon barrel stout is, by design, an exercise in collaboration. The profiles of two distinct and celebrated libations come together to form something unique. When Old Elk® Distillery opened its doors less than a mile from our brewery, back of napkin sketches were traded, and after months of patience, this imperial stout is realized. The freshly emptied bourbon casks contribute hints of sweet vanilla, soft oak, and deep molasses that complement the full body of rich roasted malts. We recommend pairing this beer with a good neighbor.
