Discover Elegant Georgian Wines

Our Rkatsiteli is made from the Rkatsiteli grape variety grown in the Kakheti region of the Country of Georgia. This wine was fermented on the skins in Qvevri large clay jars buried under the ground, following the 3000 year old Georgian traditional method. The wine's amber color comes from its extended skin contact. A full bouquet of candied grapes and melon is followed by complex flavors of dried fruits, roasted nuts and herbs complemented with firm tannins. A wonderful companion for grilled pork, creamy pasta and poultry.
