Produces handcrafted malt whiskies deep in the Texas Hill Country
A scene reminiscent of the hills of Andalusia, Spain.
Our "grain to glass" creations begin with a mash of the finest grains. They are double-distilled in our copper pot still and then patiently aged in charred oak barrels.

Stryker Single Malt Whiskey adopts the Scottish tradition of smoking malted barley that is destined to be used in their signature Islay Scotches. Rather than burning peat, however, Stryker is mashed from malted barley that has been smoked in the Texas BBQ tradition : with oak, mesquite and apple woods. This is Backyard BBQ Whiskey at its best, my friend.

GOVERNMENT WARNING: (1) According to the Surgeon General, women should not drink alcoholic beverages during pregnancy because of the risk of birth defects. (2) Consumption of alcoholic beverages impairs your ability to drive a car or operate machinery, and may cause health problems.
