PRODUCT OF ENGLAND

Rich and fruity, our Cotswolds Single Malt is the first whisky made entirely in the Cotswolds and is hand-crafted in small batches from grain to glass using 100% floor-malted local barley. It is distilled in traditional copper pot stills and matured in premium casks before being blended and bottled right here in our distillery.

We do hope you enjoy our whisky and invite you to visit us to see how it's made.

Natural Colour - Non-Chill Filtered
